

# IC GREEN®

## Concentrated All Purpose Cleaner & Degreaser

IC GREEN® is an environmentally friendly cleaner that can be used for the toughest degreasing to the mildest cleaning job. IC GREEN has the ability to hold heavy grease, dirt, grime and soils in suspension for easy pickup or rinsing. IC GREEN is non-abrasive, biodegradable, non-corrosive, non-flammable, non-fuming, phosphate-free, non-acid and non-caustic. IC GREEN can be used to effectively clean any hard surface and has been formulated to provide all the benefits of popular “green” all purpose cleaners, but at a significantly lower cost. **IC GREEN is easy to use and is compatible with oil/water separation units. PRODUCT COVERAGE:** Heavily Soiled Surfaces: 16 oz. IC GREEN to 1 gallon of water; Normal Cleaning Conditions: 8 oz. IC GREEN to 1 gallon of water; Lightly Soiled Surfaces: 1 to 2 oz. of IC GREEN to 1 gallon of water. The product dilution ratios given are approximate and may vary according to the type of equipment used. Always test the diluted product to determine suitability for use. **IC GREEN is available in 5- and 55-gallon containers.**

**CAUTION: KEEP OUT OF REACH OF CHILDREN. FOR INDUSTRIAL AND INSTITUTIONAL USE.**

**Emergency information** regarding ingestion, skin contact, eye contact or inhalation is included in the Material Safety Data Sheet (MSDS). If any of these emergencies occur, the Poison Control Emergency Response Number is 800-255-3924 (domestic) or 813-248-0585 (international).
